

## Thyme & Season Face Coverage Policy:

Putting health and safety first has been at the heart of how we operate since 1997. It is with this in mind that we have created the following mask wearing policy for our customers:

To best care for our customers, staff, and community all must wear a mask or face covering to enter and shop in the store\*. Ex: mask, scarf, bandana. Face covering must completely cover your nose and mouth. The store can provide you with a mask upon request. See the diagram below for more instruction on the proper way to wear face covering.

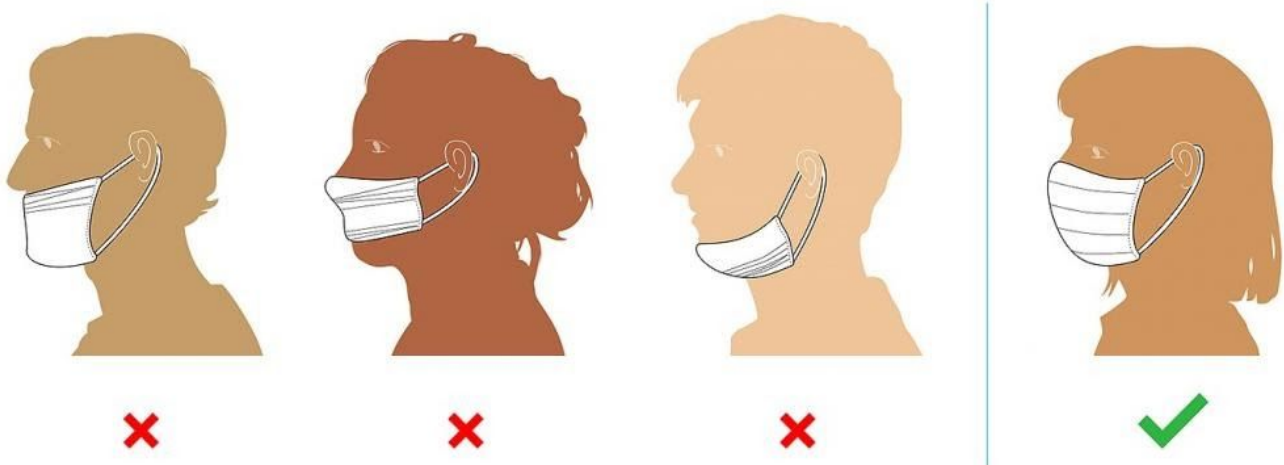

*\*If mask wearing is contrary to your health or safety because of a medical condition, we recommend you shop with us using our online store for your choice of curbside pick-up or delivery. The store can provide you with a face shield upon request.*

Together we can create a kind and safe shopping experience for all who visit the store.

Sincerely,

Thyme & Season Management

### DOs AND DON'Ts OF WEARING A MASK

# **How to Wear a Mask:**

Tighten the loops or ties so it's snug around your face, without gaps.

Mask should cover from just under the bridge of your nose to under your chin.
